

Sustainable Foodservice Consulting
1060 Polk St.
Eugene, OR 97402

Sustainablefoodservice.com Advertising Rates 2009:

Sustainable Foodservice Consulting offers a select venue to advertise your product or service directly to foodservice owners, operators, procurement managers and employees interested in sustainability. Visitors come to sustainablefoodservice.com specifically looking for information on new products and services to help transition their business to a more sustainable operation. Advertising with Sustainable Foodservice Consulting will provide your company with a unique opportunity to directly contact those customers specifically looking for environmentally friendly products and services. Sustainablefoodservice.com is the only foodservice related Web site that provides this unique presence of comprehensive information, products and current news on foodservice sustainability issues.

Sustainable Foodservice Consulting offers a wide range of flexible advertising opportunities. Below are our basic rates. Please contact us if you have any questions or requests.

Rates:

Spot Ads (140 pixels x 100 pixels):
\$75/month, \$60/month for one year

Rectangle Ads (140 pixels x 250 pixels):
\$100/month; \$75/month for one year

Tall Ads (140 pixels x up to 600 pixels):
\$125/month, \$95/month for one year

Banner Ads (currently unavailable):
\$150/month, \$115/month for one year

Ad placement is available for the home page or any individual pages. Multi-page packages and design assistance are also available.

We are currently offering **two** and **three** ad placements for a single ad rate. Please inquire with Paul about details.

Acceptable file formats: JPG, GIF, PNG and Flash files. All ads must include a click-through URL.
